SURGICAL / PROCEDURE CONSENT

I/We _____ (Owner/Agent)

give consent for the above-described horse to have the above procedure undertaken by Scone Equine Hospital.

I/We acknowledge that no surgical, medical or anaesthetic treatment is without risk to the animal. I/We acknowledge that Scone Equine Hospital has provided information regarding these risks on its website www.sconeequinehospital.com.au/risks and that I/we understand the risks and have discussed any concerns with the veterinarian treating my/our horse.

I/We also acknowledge that complications may develop because of the procedure(s), which may incur additional fees. As owner I agree to pay all charges incurred on discharge of my animal. Or, in case of dispute, I as agent agree to pay these costs.

I/We acknowledge that post operative care may be required, and will be undertaken as deemed necessary by the attending Veterinarian.

I/We understand that veterinary data obtained while my horse is under veterinary care may be used for future scientific publications while ensuring that client confidentiality will be maintained.

INTENSIVE CARE CONSENT

I/We _____ (Owner/Agent)

authorise Scone Equine Hospital Intensive Care Unit to administer 24hr Intensive Veterinary Treatment, Nursing Care and all diagnostic tests associated in the care of my animal.

I accept the estimated cost given for treatment and agree to pay all charges incurred on discharge of my animal.
